

Concert Band

Congratulations Band on your very first concert! I think you surprised everyone by playing so skilfully and enthusiastically! We have had a lot of positive feedback saying how fantastic you all are! You can all be very proud of yourselves!

Now that we've got our first concert under our belts, it is time to look towards the future and our next play-out opportunities. Our first opportunity is, of course, in Week 3 this term in Education Week. See overleaf for more information about this.

Next term we will be holding a concert at the Montreal Theatre in Week 8, where not only our own families will be invited, but members of the community will be able to come and listen to the wonderful music that Tumut Public School is creating. For this concert we will be playing some of our current repertoire, as well as two new pieces that will be introduced after Education Week—"Happy" and "Star Wars".

Once again, congratulations on your very first concert—the smiles on your faces and the faces of your parents said it all.

Band fees for Term 3 are now due. If you have your own instrument, fees are \$20 per term. If you hire a school instrument fees are \$55 per term.
