## Principal's Message...

### Staff Changes Term 3:

With semester one coming to an end we have a few staff changes taking place.

Mrs Ashlee Baker has had the pleasure of giving class KB a great start to school and has been able to watch the students grow into amazing learners.

Ms Jackie Roddy will be taking over the role of KB class teacher (Monday—Thursday) with Mrs Anna Dickinson remaining as the class teacher each Friday. Students will be following the same routines and programs as they do now. The support role will be delivered by Mrs Belinda Bottero, a very experienced teacher who has spent many years in the Early Stage One (Kindergarten) part of our school.

As many of you may be aware Mrs Alice Vigors is expecting a child which is due late Term 3.

Mrs Ashlee Baker will take over class 5/6V full time from the beginning of Term 3.

Mrs Alice Vigors will continue to support students and staff until she commences maternity leave.

All students will return to school for the start of Term 3 on Monday 12 July, 2021.

This change is due to the availability of a professional learning provider from Corwin Australia, who could only be booked on this day to deliver professional learning to support Strategic Direction 2.

Thank you for your understanding.

## Debating...

Tumut Public hosted two debates on Wednesday 23 June.

The first debate between Tumut Public Blue and Gundagai Public Blue was “That parents should be allowed to leave children in Year 5 and above unsupervised in the evening”, with Tumut Public being the negative team.

Audrey, Cybella, Elle and Hannah debated commendably and were able to convince the adjudicator in their favour and won the debate.

The second debate was between Tumut Public Red and Gundagai Public Gold. The topic of this debate was “That parents should pay their kids whenever they help out around the house”.

Tumut Public Red were also the negative team in this debate. Once again the team of Sophie, Penny, Mia and Tallara showed their amazing debating skills.

The debate was extremely close and on this occasion the Gundagai Public team were declared winners.

A great job to both teams and they are looking forward to more debating next term.

## Learning in 5/6V...

Students from KW found a buddy from 5/6V, chose an interesting book and engaged in reading in the playground.

This was a great lesson for both classes. Kindergarten are gaining so much confidence with their reading and love to read with the Stage 3 students.
