Monday 27 August	Assembly K-2 - 10.30am
Wednesday 29 August	Debating - Adelong Year6 to Tumut High
Thursday 30 August	Musical Showcase - Montreal

FEATURE PHOTO

Congratulations to Byron Crawford on winning the Riverina Golf Championship. A great achievement.

Kindergarten 100 day party

On the last day of Term 2, Kindergarten celebrated being at school for 100 days. When we walked into the shared area we were greeted with 100 balloons. A magic golden curtain was hanging in the doorway for us to walk through.

All activities for the day were centred around the number 100. We counted out groups of 10 stickers, 10 stamps, 10 thumbprints etc to make a book of 100 things. It was so much fun !

We were very lucky to enjoy a delicious cake for morning tea. Even our PE consisted of activities in groups of ten— 10 squats, 10 star jumps, 10 hops. We made crowns and wore 100 day badges.

Our teachers took a photo and aged it so that we looked 100 years old. They were very funny!

We had such a wonderful day and can't wait to reach the next 100 days at school.

PSSA Basketball Knockout

Friday 27 July saw two Tumut Public basketball teams head to Narrandera for Round 5 of the NSW PSSA Basketball Knockout competition. The girls played first, losing to Narrandera 41-12. The score however, did not reflect how well the team played. The girls showed increased confidence as the game went on leading to impressive attacking skills and strong defence against impressive attacks from Narrandera.

Unfortunately, the boys also suffered a loss, but only after a nail-biting last quarter which saw the lead change several times. For a predominately young team, the boys played extremely well showing skills and teamwork way above their age level. Final score was 24-22.

The players would like to thank Jason Beavan for giving up his time to coach the teams. Thanks also to Mrs Pearce and the parents for their wonderful support throughout the competition.

Year 3 Learning

Year 3 have been displaying what great learners they are. They have been very keen to learn in STEAM lessons as they enjoy solving problems in small groups. Last term Year 3 used “Dash and Dot” robots and coding skills to completed challenges. They designed and made a scoop attachment, drew up grids and plotted their courses around their “planets”.

Creating artworks is always enjoyable for everyone.

All students are trying to improve their writing skills by using *sizzling starts* and interesting vocabulary. A few excerpts from students writing are below:

THE INCREDIBLE CARPET RIDE

She felt the wind hit her face. The people below seemed small compared to her. Even though she floated above the crowded city she suddenly felt alone. The tall tower looked bigger than ever. She knew what the feeling was, it was Freedom ! - Seri Mooketsi

She was free as she floated above the crowded city on a red, fluffy, magic carpet.—Amelia Bye

LAND OF IMAGINATION

“Wow” she thought to herself as she walked through the enticing door. She saw lovely green trees, bright yellow lights and a long stream running rapidly past.—Maggie Roache

SURPRISED MOUSE

It was there! It was right there! Holy Cheese ! My jaw was open my head was high. It was the same thing I had been waiting for my whole life. I was overloaded with excitement. My little red nose had never been this high.—Bridget Peel

BECAUSE OF HER WE CAN

Ash Barty is a young, dynamic person who achieved greatness. She is a strong, good influence for indigenous children. She shows commitment and dedication.

My opinion is that Ash is a strong influential woman. She sets a good example for people playing sport and for religious and cultural beliefs and for justice. She is inspirational for sports such as cricket, tennis and more. So, because of her we can all be motivated and inspired.

-Mae Porter.
